Disabled.

If you are applying for SSI, you can complete a large part of your application by visiting our website at www.socialsecurity.gov. You also can call us toll-free at 1-800-772-1213 to ask for an appointment with a Social Security representative.

Parents or guardians usually can apply for blind or disabled children under age 18. In some cases, other third parties can apply for children.

You should bring certain items when you apply. Even if you do not have all of the things listed below, apply anyway. The people in the Social Security office can help you get whatever is needed.

Please bring:

- Payroll slips, bank books, insurance policies, burial fund records and other information about your income and the things you own;
- The names, addresses and telephone numbers of doctors, hospitals and clinics that you have been to, if you are applying for SSI because you are disabled or blind;
- Proof of U.S. citizenship or eligible noncitizen status; and

- Your checkbook or other papers that show your bank, credit union or savings and loan account number. If you are approved for SSI, you must receive your payments electronically.
