

Options for Completing the Risk Management Requirement

PGY-1: Total of two Risk Management Sessions. One live session required, which should have been completed at the beginning of the year during orientation. The second session can either be live presentations or Med-IQ or AMA General Competency Sessions that are approved for Risk Management

PGY-2: Total of two Risk Management Sessions. Any combination of two that include live presentations or Med-IQ or AMA General Competency Sessions that are approved for Risk Management

Option 1: AMA General Competency Education

- **Login into:** <https://cme.ama-assn.org/gme-competency>
- **New User:** A “Welcome” email will be sent to you from the AMA.
Temporary first use only password: gcep / please change after initial login. Or, if you have established an AMA password previously sign in using that or click "forgot username or password" on the sign in page if they do not recall their password.
- **Once you are logged in, go to “Library” for a listing of acceptable Risk Management Modules.**

For additional information, contact the GME Competency Education Program at the AMA.

Email: gcep@ama-assn.org or phone: (312) 464-4518

Option 2: Med IQ (formerly known as ELM Access (For current users))

- Go to <http://BSWHEALTH.elmexchange.com>
- House Staff will log-in using their e-mail address.
The temporary password for new house staff is elm123 (the House Staff will be prompted to create a new password for future access).
- Click on **Go to My Courses** to be directed to your classroom

New User?

- Go to <http://BSWHEALTH.elmexchange.com>
- Click the link to register
- The temporary password for new house staff is elm123 (the House Staff will be prompted to create a new password for future access).
